

BX Series Model P

3 1/2 HP Commercial
Blender with Programmable
Touchpad Controls

BPA-Free Tritan Jar

Maximum durability allows the model to handle frequent large volume blending.

Stainless Steel Blades

Heavy-duty stainless steel blades make smoothies and more in seconds.

Powerful Motor

3 1/2 hp; 1800W, one of the most powerful in its class.

2-Piece Lid Design

Add ingredients at any stage by removing the clear inner lid and pushing ingredients into the jar using the included tamper.

Complete User Control

Features 8 speed settings, timer, programmable buttons, and pulse button. Timer can be set in increments of 30 seconds up to 15 minutes.

Programmable Buttons

Comes with 3 programmable recipe buttons that can be programmed in up to 3 timed stages for each recipe. Easily repeat your most popular drinks with just one touch.
